PROFESSIONAL ESTEEM AWARD

Sergeant Lawrence Weathers

This Professional Esteem Award is presented to you in recognition of your exemplary investigative work related to a major cocaine distribution network.

The entire Special Investigations Unit, in conjunction with the Drug Enforcement Administration, began investigating Ray Washington and his associates in August 2000. Mr. Washington was suspected of being a major cocaine distributor in the Central Kentucky area.

Over the next several months, extensive efforts were expended directly related to Washington. Unit members spent countless hours investigating this complex and far-reaching cocaine network.

In February 2001 information was obtained which led to the interception of 25 kilograms of cocaine and the arrest of five people, including Washington. Nineteen additional associates were indicted for federal charges related to conspiracy to distribute cocaine and money laundering. Service of the indictments led to the seizure of 5 more kilograms of cocaine.

The dismantling of this vast cocaine distribution network resulted in the largest single seizure of cocaine in Kentucky. A total of \$13,000,000 of cocaine (street value) was seized.

Your diligence, dedication, and professionalism during this extensive investigation are greatly appreciated. Your efforts have significantly impacted this cocaine network. Congratulations on receiving this award.

PROFESSIONAL ESTEEM AWARD

Sergeant Lawrence Weathers

This Professional Esteem Award is presented to you in recognition of your investigative efforts associated with the United States Attorney's Office Oxycontin Task Force.

The task force was a collaborative effort between the U.S. Attorney's Office, the Division of Police, FBI, KSP, Attorney General's Office, and the Hazard Police Department. The investigation revealed that numerous subjects were traveling from Eastern Kentucky to Fayette County to illegally obtain controlled substance prescriptions.

Detectives Lynne Thompson and Doug Caldwell served as the primary investigators for the Division of Police. They were assisted by Detective Kevin Patrick and Officer Matt Brotherton during this lengthy investigation. You coordinated the Division's involvement.

Between September of 2000 and January of 2001 a total 81 "doctor shopping" complaints for 26 Eastern and Central Kentucky counties were reviewed. Investigative efforts resulted in the Fayette County Grand Jury returning indictments on 30 suspects from 19 counties. These subjects were charged with 217 felony counts. Records indicate that these subjects, in the last 18-20 months, obtained 158,309 controlled substance pills, including 18,578 Oxycontin pills. The conservative street value of all the pills is \$1,441,775, including \$743,120 in Oxycontin.

On February 6, 2001 task force members assisted with the arrest of some of the indicted subjects. Your efforts were part of the largest controlled substance investigation ever conducted in Kentucky.

Your professionalism and diligence during this lengthy and complex investigation are appreciated. I would like to express my gratitude for a difficult job well done. Congratulations on receiving this award.

PROFESSIONAL ESTEEM AWARD

Sergeant Lawrence Weathers

This Professional Esteem Award is presented to you in recognition of your diligent efforts associated with the Detroit Gang Task Force.

The Task Force was formed in November 1999 to counter the problems arising from a drug distribution network originating in Detroit. Individuals from Detroit have have linked to homicides, robberies, drug trafficking and other serious crimes committed in Lexington for the past several years. The crimes were all associated with crack cocaine.

The investigative efforts of the Task Force identified three distinct groups involved in importing crack cocaine in the community. Criminal syndication and criminal conspiracy cases have been made on all three groups.

During the investigation 85 individuals linked to Detroit organizations were arrested, including 15 juveniles. Over 380 grams of crack cocaine, with a street value of approximately \$40,000; was seized along with over \$12,400 in cash. A total of 23 search warrants were also executed.

The results of the efforts of this Task Force are outstanding. Your exemplary dedication is commendable. Congratulations on receiving this award.

Sergeant Shane Ensminger	Detective Albert Dixon	Detective Robert Hart	Detective Matthew Sharp
Sergeant Mark Simmons	Detective Joseph Eckhardt	Detective David Lewis	Detective Byron Smoot
Detective Jose Batista	Detective Matthew Evans	Detective Jennifer Lube	Detective David Straub

This Unit Citation is presented in recognition of the Narcotics Enforcement Unit's outstanding efforts while assisting Detective Matthew Evans with a complex investigation, and overall efforts in the first three months of 2008.

In February of 2008 Detective Evans initiated a narcotics investigation that ultimately resulted in the seizure of over 14 kilos of cocaine and over \$1.25 million dollars in cash; the largest cash seizure on record accomplished by the Division of Police. The success of the investigation involved significant manpower, tactics and surveillance to be successful. The excellent teamwork and cooperation displayed by all unit members helped ensure these outstanding results.

Overall, in the first three months of 2008 the Narcotics Enforcement Unit made a total of 113 arrests, seized over \$1.7 million in cash, 13 vehicles, 13 weapons and drugs with a street value of over \$2.8 million dollars. The dedication and team oriented approach of all members of the Narcotics Enforcement Unit have resulted in excellent results and are truly commendable.

PROFESSIONAL SERVICE AWARD

Sergeant Lawrence Weathers

It gives me great pleasure to present you with the **Professional Service Award** for your efforts to impact mid- and upper-level drug suppliers in the Lexington area. Most of these investigations occurred in the latter part of 1997. Your efforts significantly impacted the influx of drugs into the area.

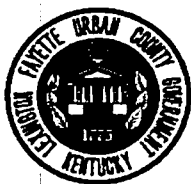

Captain Mike Bosse advises me that your efforts yielded 19 kilograms of cocaine and 325 pounds of marijuana. Some of these investigations were joint efforts with the local DEA office and other law enforcement agencies. The estimated street value of these drugs, coupled with the value of assets seized, is equal to nearly \$5,000,000. This represents the largest combined seizure of illegal drugs in this region. Several major suppliers from the Lexington area and some from other states were taken off the streets.

I commend you for your efforts on the behalf of the Division of Police. Thanks for giving the extra effort that was required to make these cases. Many additional hours at great personal sacrifice were necessary for the successful culmination of these cases. Your professionalism and persistence is appreciated.

Sergeant Lawrence Weathers

It gives me great pleasure to present you with the **Professional Service Award** for assisting with an illegal narcotics investigation, which led to the arrest of a murder suspect.

Captain Sutton and Sergeant Jennings advised me that you assisted with the surveillance of the suspect and then secured a search warrant for his home. The search warrant yielded 166.8 grams of crack cocaine, 8.5 grams of marijuana, \$1,230 cash, and four arrests for Trafficking in a Controlled Substance. The case was prosecuted federally, and the murder suspect, Latimus Wingate, received 18½ years in prison. He was also convicted for the homicide of Anthony Taylor. The other two suspects received lesser sentencing for their cooperation with this investigation.

I commend you for your efforts on the behalf of the Division of Police. This investigation resulted in a major drug dealer being taken off the streets. He was a dangerous threat to our community. Thanks for your extensive work on this case.

It gives me great pleasure to present you with the Professional Service Award for your involvement in the successful prescription fraud investigation. This recently concluded operation led to the arrest of 186 people, with 495 charges against them.

Your outstanding team-oriented approach during this large-scale and successful operation is appreciated. Through your efforts, a significant number of offenders who would usually go undetected have been arrested. Prescription fraud is obviously a serious problem to be dealt with through sophisticated investigative techniques.

I wish to commend you for your efforts on the behalf of the Division of Police. This was an excellent example of successful teamwork. Thanks for your willingness to assist and work together.

It gives me great pleasure to present you with the Professional Service Award for the recent aggressive and thorough short-term narcotics investigation, in which a major marijuana dealer and his supplier were identified. A search warrant was executed on March 28, 1997, netting seizures of approximately \$400,000 cash, two vehicles, a tractor, a boat and motor, two four-wheelers, seven guns, and over 100 pounds of high-grade marijuana.

You and the other involved personnel invested well over 100 hours in surveillance, investigation, and follow-up in this case. Your assistance may lead to other suspects, additional search warrants, and arrests.

I would like to recommend that a Professional Service Award be presented to Detectives Van Spencer and Lawrence Weathers for their efforts in the arrest and subsequent guilty plea of Kenneth Brooks.

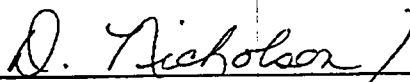

Detective Weathers took a case which had been languishing for months, and gathered enough probable cause for the two search warrants which led to the arrest of Brooks.

Detective Spencer used his investigative skills to assist the U.S. Attorney's Office in putting together an air-tight case against Brooks. His tenacity in finding and interviewing witnesses prompted Brooks to plead guilty to a 20-year Federal prison sentence.

In addition, several properties, vehicles, and money were forfeited as part of the plea agreement, and will be a part of Lexington's Division of Police profit sharing.

These two detectives did a superb job in putting away one of Lexington's career criminals, and I feel their efforts should be recognized.

Your consideration is requested. If you have any questions, please contact me.

On September 5, 1995, Detective Greene received a phone call from an unknown subject from the state of New York. This subject advised him that Arnice Johnson was leaving New York on her way to Lexington, Kentucky, in a black Toyota 4-Runner with Kentucky tags, and that in this vehicle would be a kilo of cocaine.

Acting on this information, Detective Greene obtained an atlas and determined that the vehicle would be arriving in Lexington at approximately 6:00 a.m. Detective Greene advised me of these facts, and he and I felt it would be a long shot to get the vehicle, but he was willing to try to locate the vehicle coming off I-64.

Detective Weathers assisted Detective Greene, and they went out to I-64 at 5:30 a.m. to attempt to locate this vehicle. At approximately 6:05 a.m., they observed the vehicle coming into Lexington on I-64. They followed the vehicle into Lexington but lost sight of it on New Circle Road. Within a few minutes, the vehicle was located at the Shell Station on New Circle Road at Russell Cave Road. Detective Greene obtained a search warrant, and he did in fact find a kilo of cocaine in the engine compartment of the vehicle. No arrest has been made at this time due to not being able to positively identify the driver of the vehicle.

I feel Detectives Guy Greene and Lawrence Weathers should receive a Professional Service Award for their actions. They took the initiative to act on this anonymous tip and were able to take a kilo of cocaine off the streets of Lexington. The street value of the kilo was over \$200,000.

Your assistance in this matter will be greatly appreciated. If you have any questions, please contact me.

On behalf of the Kentucky Child Victim's Trust Fund, thank you for your assistance with Marilyn Van Derbur's appearance at our October 12th fundraiser. Assigning an officer to provide security for Marilyn Van Derbur during her appearance in Lexington made a difficult schedule manageable. Officer Lawrence Weathers did a very capable job and deserves credit as well as our thanks.

Ms. Van Derbur's appearance as the spokesperson for the Trust Fund was very important to us. The Trust Fund's work depends entirely upon its ability to generate money for local prevention programs and to make people aware of sexual abuse's tragic consequences. As a former Miss America and child victim, she has been eloquent speaking across the country on behalf of children and adult survivors. Now, Kentuckians will see her as a spokesperson for themselves and their children.

Mrs. Thomas E. Meng

I would like to compliment two officers we have met recently.

Yesterday officer L. B. Weathers completed the DARE program at Cassidy School. He motivated the kids to do the workbooks (what a job!) and they looked forward to the classes. Even my 2nd grader was impressed with the drawing he made for her.

Detective John Burdette has investigated our September burglary. He patiently listened to all my "leads" and I appreciated his attitude and follow through.

These two gentlemen promote the best of the police department.

Dear Chief Walsh,

We would like to take this opportunity to thank Officer Weathers for his willingness to serve the community through the Lexington Police Department. He went above and beyond the call of duty on April 30th at our school carnival.

Upon Officer Weathers' arrival to set up the Dare booth we realized we had not picked up the radar gun for the baseball throw. Officer Weathers volunteered to return to the police department to see if the radar gun was there and bring it back to the carnival. This was a great relief for us for without the radar gun we would not have been able to have the baseball throw. Which was a big hit with the students! This fellowship with the students was evident and was an asset to our carnival.

We have enclosed a copy of this letter and ask that you see that Officer Weathers receives it to let him know how much we appreciated this service.

I am extremely pleased to know that the Lexington-Fayette Urban County Division of Police has become an official member of the "Over \$1,000,000 in Assets Seized" Club. Please advise all of your detectives that I am extremely proud of their efforts in seizing such a large amount in one year.

I'm sorry that I could not attend the official pizza banquet on Friday, December 8, 1995, when Mr. Bill Feaser awarded the plaque for this honor. I am especially impressed with the purpose of the award: "To suppress crime and evil." All joking aside, the money has been a lifesaver for the Division of Police in such areas as training and the purchase of much-needed equipment.

Again, thank everyone for their hard work. I will have a copy of the award placed in their personnel file.

Dear Sir,

On Wednesday July 21, we were accosted and forced at gun point to drive 1 1/2 blocks out of our way, robbed and then forced out of the car. We walked 1/2 block, then called 911 from a beer parlor at the corner of Alabama and Limestone. We were told that an officer would be there "shortly". Officer A. Johnson was there in about twenty minutes, That seemed excessive time until he told us that the car had been recovered and our assailant apprehended.

We answered questions and signed complaints, then Officer Johnson drove us by to see if we could identify the person they had caught and we were able to do this. Then he drove us on to our car. We gave information again to Officer Pearson, waited while they took pictures, assured all your men that we were ok, and drove on home.

I called my father to tell him what had happened, and he told me that we had let him out of the car one hour fifteen minutes before. This is real speed. The officers were all extremely polite and helpful. These men went over and beyond the needs of duty, and we want to commend them to you.

The following men were involved in the apprehension and return of our vehicle:

Officer E. Pearson
Sergeant R. Wilson
Officer Mays
Sergeant L. Weathers
Officer A. Johnson
Officer J. Hurley

This very ugly experience was turned into one of gratitude and well being. We realize that all such cases cannot be dealt with so rapidly and with such good results, but it is wonderful when even one can. At a time when your department seems to be getting a lot of bad publicity, we would like to extend out heart-felt thanks and best wishes. Keep up the good work.

Dear Gentlemen,

I would sincerely like to thank you for allowing Sgt Lawrence Weathers and Detective Byron Smoot to come to Bowling Green and present their Drug Program. On October 25 they spoke to 30 law enforcement officers from several local departments. Their knowledge was equal to the superb recommendation that preceded them. I had been advised that their knowledge of Club Drugs was exceptional and it was.

Since we are seeing the drug Ecstasy in our community I wanted someone to educate law enforcement in this area as to what to look for and what to expect. They were more than able to fulfil my request.

Again I thank you for letting them come to our community and congratulate you on having such knowledgeable, professional men in your department.

Dear Chief Beatty:

I am writing this letter in appreciation for the numerous hours that Lt. Weathers has provided to the Early Intervention Program in the past year. I am an Early Intervention Worker that primarily provides alcohol & other drug education classes to first and second time offenders through the Court Designated Worker Program as well as youth cited for drinking and driving whose BAL is less than .08. Through his number of hours, he has talked to approximately 84 youth and parents who have attended that ATOD Impact Intervention Education Class.

This is a 4-hour class that the youth and their parents have agreed to attend in lieu of formal court action. Approximately 1 hour of this time is presented by someone from the legal system in which they talk to the group about legal implications of using ATOD.

Lt. Weathers is an outstanding presenter. He really seems to get their attention and he relates well to the participants as they do not hesitate to ask questions. He is also willing to talk to participants individually.

I have met with the youth and their parents for a follow-up assessment and several have complimented Lt. Weathers on his presentation. He is professional and demonstrates great knowledge in the field of alcohol and other drugs.

The CDW's and I appreciate the support Lt. Weathers has shown in regard to the Early Intervention Program. This program cannot be successful without support from the Police Department and other representatives from the legal system.

Dear Luteitant Lawrence Weathers:

Thank you, for presenting the Teen Crime and Community Works Program: Juvenile Handgun and Violence Lesson, to the seven members of the South African Delegates, on May 5, 2003 as part of the Civitas: International Civic Education Exchange Project.

Civitas promotes the exchange of ideas among countries. In this particular partnership, South African educators have been working with Kentucky's Administrative Office of the Courts over the past ten months to develop a Project Citizen civic education program for use at a site in South Africa. Project Citizen is taught in middle schools and promotes involvement in state and local government.

Our program was a success largely due to your profound introduction of the Juvenile Handgun Violence Lesson. Certainly, the South African Delegates, Dr. Deborah Williamson and the Administrative Office of the Courts Staff were impressed and greatly appreciative by your presentation. Once again we thank you for helping us successfully conduct an overview of the Fayette County Court Designated Worker Diversion Program.

Chief Anthany Beatty
Chief of Police

Lexington, Kentucky 40507

Sir,

I was a graduating member of the Citizens Police Academy # 20.

And as such have delayed in thanking you and the members of your force and staff.

I am a retired Captain of the Lexington Fire Department and for a short time was a Call taker for the Police Department, I think the job was classified as "Communications One Officer" I was hired by Sheriff Harold J. Buchignani With whom I had worked with in the 1960's when the County and City were separate. I was a County Police Officer for about 3 years.. I attained the rank of Sergeant for the Fayette County Sheriffs Court Services Division and worked for the department for 5 years.

The reason for this letter is to commend the members of your department in advancing the public perception of the Lexington Police department and information as to how the department serves the community. I as a past Deputy Sheriff know the hardships the men face and the strict requirements needed to perform this task

Members of your Staff: Assistant Chief Ronnie Bastin., Lieutenant Michael Blanton, Major Carter, Lieutenant L. Weathers and Officer Hicks with K-9 as well as Major Michael Bosse are to be commended for their dedication to the department and the community that they serve.

There is no way that I can single out one of your officers and say "they did an exceptional job" They All Did... The members associated with the Citizens Police Academy showed exceptional skill in dealing with the public and un informed. Every one that attended the Academy had to come away with a greater appreciation of the Lexington Police department and how they serve the community.

Those that did the "Ride Along" expressed to me that they has no idea of the danger and boredom the officers faced in every day work situations. I did not do the "Ride Along" because knowing the shortage of officers that now exist in the Lexington Police department and the fact I had enough of those when I was an officer and wanted as many as possible to experience this as possible and on their own.

If I was forced to pick one officer that exhibited "Over The Top" behavior in performing the duties required with the Citizens Police Academy program It would have to be Officer Debbie Wagner.

Her devotion to the Department and its staff are beyond reproach. Her willingness to devote long hours to the Citizens Police Academy Program are beyond belief.

The rewards to the Police Department and the Community from this program will surely result in better understanding by the public of the actions of the Department. This should mean higher employee numbers and better pay for all the officers of the Department.

Last but no way means the least, you as the Chief and therefore the leader of the department are to be commended in your fore thought to originate the Citizens Police academy. If continued it can only mean better and bigger things for the Department and Lexington as a continually growing community.

I Thank You

Dear Chief Beatty,

On behalf of the Kentucky Environmental Health Leadership Organization's membership, I would like to thank and commend two of your officers for their professionalism and willingness to provide training and information to other governmental agencies.

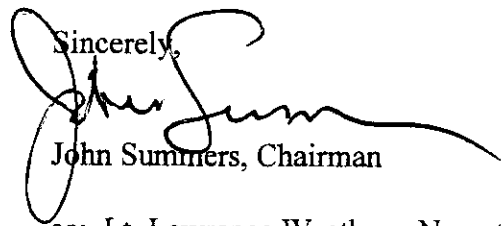

House Bill 94 enacted by the 2007 Kentucky General Assembly requires that local health departments post notices on premises that have been used as clandestine methamphetamine labs. These notices constitute a **quarantine** of the premises under **KRS Chapter 212**.

On Monday July 16, 2007, I contacted Lt. Lawrence Weathers of the Lexington-Fayette County Police Department in regard to providing training for a group of Health Department Environmentalists about the dangers and precautions to be observed in dealing with these labs.

On Tuesday July 17, 2007, Lt. Weathers and Detective Byron Smoot conducted an excellent presentation for us at the Franklin County Health Department that will be an asset in health department involvement with the requirements of **HB 94**.

Again, I wish to thank these officers and you for making this training available to local health departments.

On behalf of this year's conference committee, Kentucky Housing Corporation (KHC), and the Southeastern Affordable Housing Management Association (SAHMA), thank you for your participation in the 2008 Housing Management Conference.

We have received many positive comments regarding your presentation. We appreciate your assistance in making the conference a huge success.

Approximately 750 owners, management agents, and on-site personnel attended this year's conference. We believe it is important for members of the housing industry to share information and ideas together and without the support of individuals like you, this would not be possible.

Please feel free to share any feedback from your presentation that may help us better prepare in the future for the speakers, their presentation set-up, etc.

Visit the Kentucky Housing website for a recap of this year's sessions and evening activities. Information and pictures should be posted soon!

Chief Bastin,

I just wanted to express my gratitude to your department for the professionalism and courtesy that I was shown when I was conducting a background on a former employee of the city of Lexington.

I would like to single out Lt. L. B. Weathers, Sgt. Mike Wright, Sgt. Chris Townsend, Tammy Jones and Tonya Towery. These good people made my job a lot easier and more enjoyable as this was the first time that I had to conduct a background.

Forgive me for the informality of the letter. I just wanted to let you know that you have good people around you and I have a better feeling of admiration for the officers of Lexington Metro.

You see, about 4 months ago I was in Lexington and I drove up on a head-on collision. I must have just missed the impact, anyway I was in a marked unit and in uniform so I proceeded to take care of the scene until a Metro Officer arrived. After a little time a unit showed up and I approached him. I explained to him what had happened and to see if I could be of any assistance.

The officers attitude was very unprofessional to say it politely, whoever I proceeded to give him the information. I finally asked him if he needed me to do anything else and he

brushed me off and waved me away. I told him that he had it and I left.

That left a bad taste in my mouth which lasted till today. When I was instructed to do this background with Metro I tried everyway to get out of it because of my brief encounter with one of your officers. Well I am glad that I did'nt because I saw a different side today which I believe is the real Metro P.D.

I am not going to take up any more of your time, I just wanted to say thank you for your hospitality. If I can ever be of any assistance with anything please let me know.

Respectfully,

Chief Bastin:

I wanted to take a moment to thank you and your staff for their cooperation and assistance over past few months as I transitioned into my position as supervisor in the Fire Investigations Office. I have had nothing but strong support and cooperation from everyone in the Division of Police I have worked with.

Commander Edwards and Sgt Wright in training have gone out of their way to assist in coordinating the training required for our investigators and assisting in scheduling much needed in-service training on basic police skills. They have forwarded Policy/SOP material so I can get a better understanding of the operation policy and ensure our investigators are in compliance.

Ofc Johnson at the range allowed me to come down and qualify one on one, something I am sure he did not have to do and most likely interrupted his work day, but he never made me feel the least bit intrusive or a bother. He is very easy to work with and has been more than willing to schedule the time to get our investigators to the range, not only to re-qualify, but to go over some weapon retention and maintenance skills along with the qualification session.

Lt Weathers and Sgt Holland in Internal Affairs have been a great resource as well, as I struggle to create the Policy/SOP for the Division of Fire on Internal Affairs. They know my name very well and like the rest of your staff I have been working with, continue to be professional and HELPFUL every step of the way.

I recently made a phone call inquiry to traffic looking for a violation code and Ofc Murphy in traffic not only got me that violation code, but offered up many more applicable KRS's and violation codes applicable to the Division of Fire. She was extremely helpful and went out of her way to make sure I had all the information I needed, and as with all of your officers said to call back with any questions or needs.

I have also worked with some of your officer in computer crimes, and the Bureau of Investigations, scheduling interview rooms, asking procedural questions, and

Arson Is a Violent Crime

JUN 30 2009

essentially I am sure keeping them from their own work and being somewhat of a pest, but have ALWAYS been forwarded nothing but respect, courtesy and professionalism.

This is only some of your staff I have had the pleasure of working with over the past few months. I am sure I am leaving some of them out, but I wanted to take a moment to let you know how supportive your officers are, and have been. Please tell them how appreciative I am for their assistance, and if I can ever be of assistance in return, to not hesitate to call. You have an excellent staff of officers and should be proud of how they represent you and the Division of Police.

Dear Chief Bastin,

As a volunteer board member of the *Mayor's Alliance on Substance Abuse*, I attended our bi-monthly meeting today, November 12, 2009. Of the approximately **twenty** communities and state agencies represented today I am proud to say **Lexington Police** was by far the most represented.

Fifth Supreme Court District Justice Mary Nobel was our featured speaker and noted their presence and also how much cooperation she had with Lexington Police in the past.

As you already know, Sgt. Chris Townsend is the chair of this coalition and both he and Sgt. Jason Parks attend regularly. Sgt. Parks is also a member of the alcohol sub-committee and has been instrumental in help us with the finding a Social Host law already on the book.

Sgt. Townsend has been, and is, an excellent representative for police and sharing his knowledge and experience toward reducing underage drinking and other laws regarding illegal substance abuse in our community.

I knew you would like to know how much effort is being made to work together with police and others and I commend Lexington Police and these officers for helping make it happen. Following list were present:

This Letter of Appreciation is intended to recognize your dedicated service as a long-term member of the Awards and Commendations Committee. The committee is tasked with conducting an equitable procedure for reviewing awards nominations which recognize courageous acts and dedicated service of deserving employees, citizens and other law enforcement officials.

You voluntarily served on the committee- with distinction- for longer than the requested three-year term: from February of 2008 through June of 2011. Your diligent efforts contributed significantly to the committee's ongoing stewardship of the awards review process and helped to perpetuate the ethical integrity of the awards program.

Your professional efforts associated with the Awards and Commendations Committee have been of great benefit to the Division of Police. I would like to express my gratitude for your dedicated and exemplary service and support of the awards program and the Police Awards Banquet.

I can only begin to imagine the leadership challenges which confronted you in the aftermath of his death, but I saw you display examples of your character and leadership on multiple occasions. Your presence and comforting words to members of the Central Sector following the events of April 29 were appreciated.

I was particularly impressed when I was present for your visit with Brandy Durman. Your remarks to her were comforting and clearly heartfelt.

Your efforts throughout the period were extraordinary. They brought great credit to you, the Division of Police and our city. If I had a son who was a police officer, I would be pleased if he were a part of your command.

Sincerely yours,

I would like to express my sincere appreciation for the teamwork and dedication exhibited by Division of Police employees during the NCAA Tournament enforcement efforts. The hard work and professionalism exhibited by each of you is a testament to your commitment to public safety.

We faced some unique challenges during our enforcement and safety operations of this event. Not only in the downtown and University of Kentucky Campus area, but throughout the city and overcame each of them with creativity, a solid tactical plan and smart policing.

The Bureau of Patrol and the Bureau of Special Operations did a great job on the ground and in the air. The Bureau of Investigation was invaluable as they offered not only undercover and behind the scenes support, but were also on the front lines as well. The Bureau of Administration did a fantastic job in providing extra equipment, water and supplies. I also want to mention the Communications Section, which handled hundreds of calls for service and helped to keep the lines of communication clear and working.

Everyone worked well as a team which included several other law enforcement partners. The interagency cooperation exhibited by each of you is proof of the strength of our partnerships; and could serve as a model for other municipalities.

The Division of Police has already received numerous compliments about the phenomenal job we have done, and I know many more will soon come. I am proud to lead such an amazing group of officers.

Thanks for all you do.

Coming Together . . . Community Resources United for Youth

June 20, 2012

Chief Bastin
150 East Main Street
Lexington, KY 40507

Dear Chief Bastin:

My name is Laura Hatfield. I am the Executive Director of Partners for Youth Foundation, Inc. I am sure you are very aware of the wonderful things the members of the Division of Police do on a regular basis, but I wanted to take the time to express my gratitude for what they do for Partners for Youth.

For several years, Sgt. Chris Townsend has served on our board and has chaired some incredibly important initiatives for Partners for Youth. To date, he chairs both the DMC (Disproportionate Minority Confinement) and Scholarship committees. I have worked at a non-profit organization in the past as well as served on many non-profits boards myself and often find that members have a tendency to give minimal support. This is certainly understandable given that these positions are voluntary. This is certainly not the case for Sgt. Townsend as he always goes over and beyond to support our mission. I am always amazed at how he gives so much attention to detail in addition to care and compassion for our city's youth.

In addition to Sgt. Townsend, I have had the pleasure of working with Commander Lawrence Weathers and Lt. Shannon Gahafer this year. Not only have I been impressed with their dedication to our community, but I have also noticed that they earn the respect of community members by their actions and their keen ability to listen to the concerns of others. All three of these individuals, along with Lt. Garry Stinnett, took the time to serve on our Partners for Youth Grassroots grant committee interviews and gave excellent feedback as to which programs we should fund for at-risk youth this year.

Mission Statement:

To promote positive youth development and to prevent juvenile delinquency through collaboration and capacity building.

Coming Together . . . Community Resources United for Youth

Lastly, we have a relationship with the PAL program and have worked very closely with Connie Rayford and her staff to find ways we can better connect at-risk youth to their programs. PAL makes such a positive difference in our community for our most vulnerable youth because of their commitment to care for these young men and women in so many meaningful ways.

In a day when bad news can certainly trump what is good, I wanted to make sure that you knew about some special officers who, I believe, live out our mission of "promoting positive youth development and preventing juvenile delinquency through collaboration and capacity building". What a great team you have.

Sincerely,

Subject: re: appreciation for Commander Weathers

Dear Chief Ronnie Bastin,

After briefly meeting you the other day, I am following up with a letter regarding Commander Weathers. I am a parent at Sayre School and have been involved with the Mayor's Alliance for the last year. This was how Commander Weathers was referred to me, but I had no idea that anyone could have such an impact on our parents.

We had a parent education event on the morning of Thursday, November 1st, which was attended by more than 30 parents. Our parents tend to think they are well educated, but every one of them was on the edge of his or her seat. No one glanced at their cell phones the entire hour that Commander Weathers was truly in command of their attention. He was personal, professional, and the firsthand authority on his subject. His appeal parent-to-parent was earnestly convincing with suggested prevention skills from experience. I had attended his presentation at Jesse Clark Middle School on October 24th in preparation for our event, and I am impressed that Commander Weathers knows how to target his audience and adapt to their differences in order to make his presentation have equal impact. He is also able to adjust the content to different time constraints and keep it just as powerful. I heard from many of our parents who attended how informative Commander Weathers was, how thankful they were that they took the time to attend, and how shocked they were at the availability of drugs to their children. I have to keep the faith that we can make a difference in our children's lives by educating their parents. With professionals of such high quality who have their heart, their soul, and their dedication focused on our youth, I have greater hope in the future. I am so thankful to know Commander Weathers.

Sincerely,
Gay Barnett

Lexington Police Department
150 E. Main St.
Lexington, KY 40507

Dear Lexington Police Department,

Thank you for ringing the bell as part of The Salvation Army's 2012 Red Kettle Campaign. We are grateful for the help that we receive from all of our volunteers in each of our Christmas activities. It does though, take an especially warm heart to stand out in the cold to collect donations!

This year, The Salvation Army in Lexington was able to raise \$459,121.57 through the Red Kettle Campaign of which you were responsible for \$1,505.80. We are so thankful for the part you played in aiding many needy individuals and families this Christmas and throughout the year. The Salvation Army uses the annual Red Kettle campaign to raise the funds necessary to provide Christmas food baskets, toys for children, and year-round life changing programs for persons of all ages, which included this list last year:

- 44,762 nights of lodging/days of care for homeless families and single women
- 122,844 meals for homeless persons
- Basic and Emergency Needs for 48,702 individuals
- After-school summer programs for 525 youth through The Army's Boys & Girls Club
- Music School (brass, vocal, and dance instructions) for 250 children
- Pre-literacy activities and childcare for 108 children ages six weeks to five years

Thank you for helping us to provide these services to our friends in the Bluegrass.

Blessings to you this New Year!

Sincerely,

Dear Commander Weathers and Sgt. Berry,

On behalf of Saint Joseph Hospital and our community partners involved in building safe communities, we want to acknowledge and thank Officer Daniel Burnett for his dedication, support, and active involvement in our Winburn summer program (aka Winburn Kids on the Move). During a difficult period in this country over the past few weeks when trust and faith in police is at a low point, it is refreshing to have someone like Officer Burnett proactively involved in building positive relationships with the residents in the community that he serves.

Officer Burnett is an integral part of our work to build safe and healthy communities, with a special focus on children and youth. Our goal is to make a positive difference in the quality of life of at-risk kids by providing fun, engaging activities (three key areas: academic, artistic, and recreational) throughout the summer months. Officer Burnett was involved in the planning stage as well as the daily coordination and supervision of sports and recreational activities. As you can see from the attached photos, the children developed a special bond with Officer Burnett.

Thank you for allowing Officer Burnett to be a part of our team this summer. We are all working together with a shared mission of building health, safe communities. We look forward to building on this collaboration.

Sincerely,

John Kim

Dear Chief Barnard,

We wish to thank you and your staff for inviting us to participate in your Lexington Police Department Partnership Program from June to September 2015. We have learned so much during our time with you here in your wonderful city. Everyone we have met during our internship has been gracious and professional and it has truly been a wonderful experience and honor for us to become a part of your police force for the past three months.

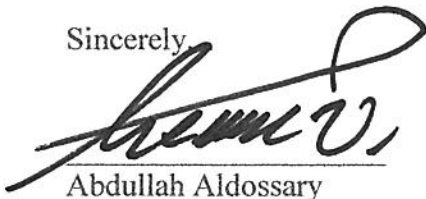

We specifically want to thank Assistant Chief Lawrence Weather of the Partnership Program for coordinating our visit. We also wish to thank Officer Bige Towery and Lt. Mark Brand of Lexington Police Department. These men are all police officers of the highest caliber and have made our internship a top-notch experience.

We wish to thank Amy Ross and Michelle Haynes of the 911 Center for showing us how efficient an emergency center can be and how dedicated all personnel in the center are 24 hours a day, seven days per week. Very impressive.

We wish to thank Officer Debbie Wagner for inviting us to attend the 53rd Citizen Police Academy (CPA). What a wonderful experience to see how the police department and the citizens of Lexington and surrounding areas come together to mutually benefit all residents of Lexington. We especially enjoyed the tours and training scenarios presented in the CPA and our ride-along with Officer Jerry A. Zeigler.

As we return home, we wish each of you the most prosperous and promising future in your lives forevermore. We shall never forget our time with you and your Blue Grass hospitality towards us. You made us feel most welcome here in Lexington, Kentucky.

Sincerely,

Abdullah Aldossary
