

“It is easier to build strong children than to repair broken men.”

Frederick Douglas

Our Fayette County Public Schools are experiencing a crisis of students experiencing homelessness. Our community **MUST address this issue on many fronts: these children are our future, and they aren’t responsible for their homelessness.**

The *Give Kids A Home Campaign* is a community wide effort to raise funds in support of the McKinney-Vento Program at the Fayette County Public Schools. The McKinney-Vento staff works tirelessly with each FCPS to support the children who are unhoused in our schools. They work to find their families a safe, stable housing situation for the students. Sometimes that is a hotel room for shelter, sometimes it is rental assistance and sometimes it is a car repair for the parents to have transportation to their work to support their families. FCPS Family Resource Centers work tirelessly with each family to give these students a chance to succeed!
